BROOKE is, without doubt, one of the most versatile male dancers in the UK.

His specialist dance style is locking but he is capable to a high level in numerous dance styles from contemporary to tap to hip hop both in freestyle and choreography.

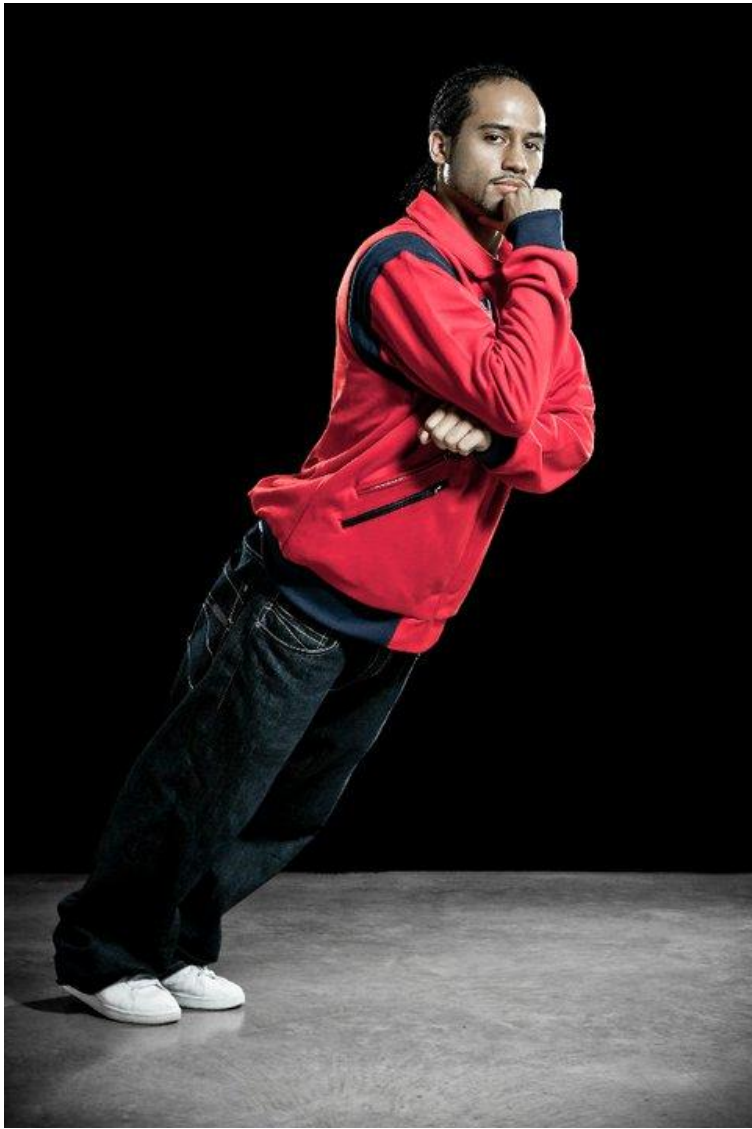

A former international level trampolinist, Brooke has very strong acrobatic ability and uses this within his dance to maximum effect.

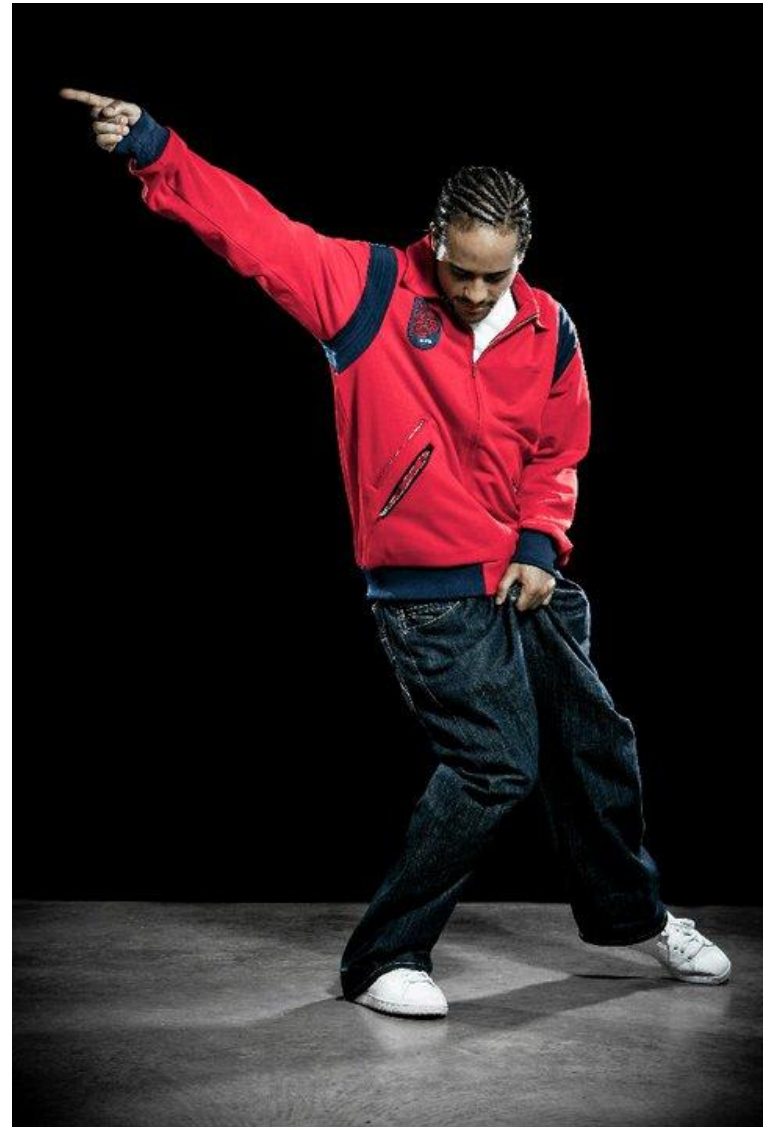

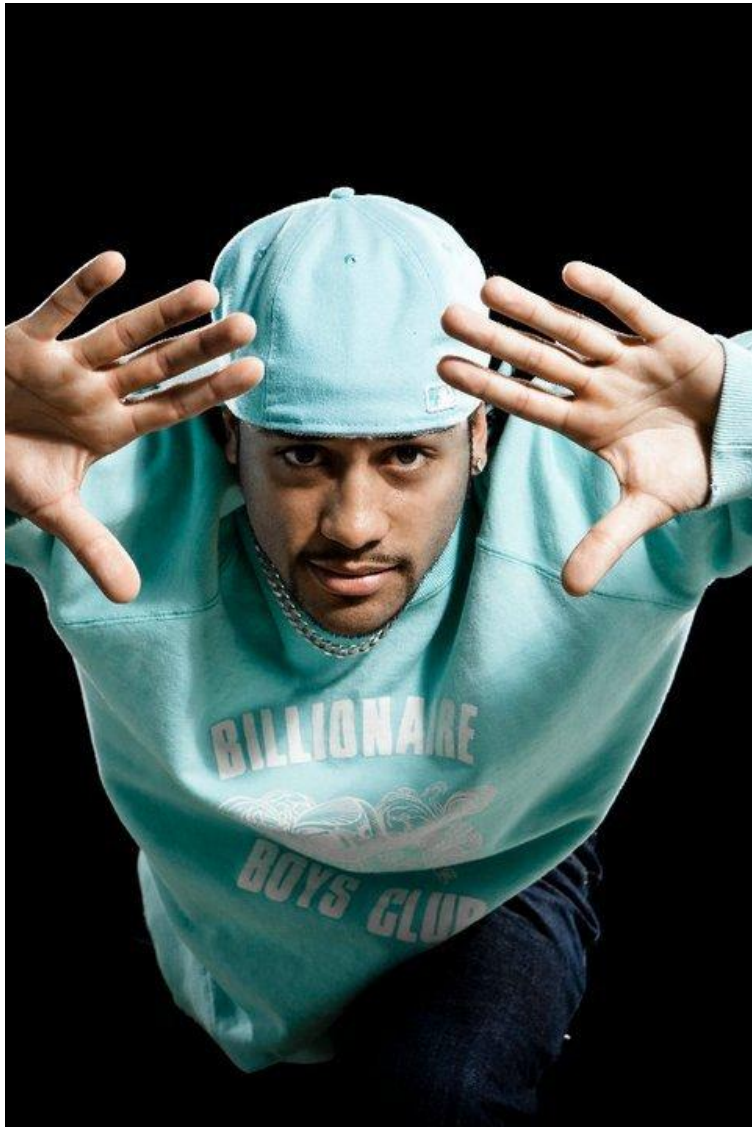

Brooke is choreographer and lead dancer of Plague dance company and a key member of the Funkstylerz team.
