DESCRIPTION

A spontaneous or themed freestyle show which features a selection of world class individuals from a collective of 16 dancers. Our shows are highly flexible and can be performed in a wide variety of environments and are often accompanied by a live DJ, drummer, band or beatboxer.

The collective includes specialist dancers who are at the top of their game in a particular dance style and can entertain any audience purely with their freestyle skills without the need to rehearse or prepare routines in advance. Our shows are high energy, surprising and spontaneous and can be tailored to suit client requirements on costume, music and overall theme.
