BIOGRAPHY

Marvel is a popping specialist and performs incredible solo shows using a clever mix of dance, mime, robotics, animation, illusion, character &comedy. He is also a key member of Pro-Motion and the Funkstylerz freestyle collective.

With a name born out of his passion for comics and animation, Marvel naturally incorporates animatronic styles into his dance and is known for his inventive isolations.

A world class performer who never fails to captivate an audience and leave them in awe of the illusions he creates, Marvel still continues to push himself to achieve new skills and reach higher levels both competitively and artistically.

Marvel has represented the UK in the Solo Popping competition at the "UK B-boy Championships World Finals" in both 2011 and 2012 after successfully qualifying at the National Championships.
