BIOGRAPHY

Lil Ceng grew up in the German city of Saarbrücken and was introduced to breakdance by his cousin when he was only 10 years old. It was a performance of the Flying Steps on TV marked the beginning of a life-long passion. By the time he was just 16 years old, Gengis (alias Lil' Ceng) had already cemented his place in the Flying Steps crew. That accomplishment alone proves just what a stand-out talent the Macedonian-born b-boy is. Recognized from early on as one of the best power move dancers in the world, Lil' Ceng wins over crowds with his creative and dynamic styles which are inspired by Ryan Leslie and Jackie Chan.
